With a massive covered patio, high ceilings, an extraordinary custom kitchen, an attractive exterior, and storage galore all packed into this fairly economical design, it's easy to see why this home is one of Apex's best selling plans. With direct access to one of our favorite covered patios, the master suite savors a very custom feel with a large walk-in closet, luxurious bath, and a bay window. The extra bedrooms both enjoy walk-in closets as well as a private bathroom in their own corner of the home. Perfect as a game room, extra bedroom, or mancave the bonus room is the finishing touch on this classic family home.
