Open living areas and a cathedral ceiling give this home a large and airy feel. The arrangement of the common spaces makes it ideal for gatherings large and small. A large island in the kitchen provides plenty of counter space while interconnecting the kitchen to the dining and living rooms. The large mud room separate from the laundry is a great place to store shoes, coats, and backpacks before entering into the large foyer area. The master suite enjoys seclusion to one side of the home with a large master bath and closet.
