A classic traditional facade with a front porch creates irresistible curb appeal. This Apex design packs maximum living into minimum space, perfect for narrow lots. The interior is immediately welcoming with a large open foyer where a barrel ceiling leads to the main living spaces of the home. The compact open kitchen functions beautifully with a huge pantry, and large centrally located island. The master suite is hidden nicely at the rear of the home for privacy and features a large walk-in closet, dual vanities, tub and separate shower.
