Thoughtful details abound in this stylish home. Decorative tray ceilings accompany the living, dining, & master bedroom for a special touch. The floor plan highlights the incredible views out the back of the home leaving a very unforgettable impression. The expansive master suite tucked to the rear of the home provides privacy and features a his and hers closet, and a large master bath. A luxurious wine cellar can be seen through a glass wall adjacent to the dining room. The living room opens out to the covered patio taking entertaining outdoors. All bedrooms feature a walk-in closet and have plenty of space for most any size bedroom set.
